CHAMPAGNE  
**BOLLINGER**

In 1829, Champagne Bollinger introduced an instantly recognizable, dry, toasty style that connoisseurs around the globe have coveted ever since. Six generations of the Bollinger family have maintained that trademark style, and Bollinger is one of the rare houses to be owned, controlled and managed by the same family since it was founded.

## Oregon Pinot Noir

"Since our first vintage in 1991, the Beaux Frères philosophy remains the same; to produce a world-class Pinot Noir from small, well-balanced yields and ripe, healthy fruit that represents the essence of our vineyard. In pursuit of these goals, the Beaux Frères Vineyard is planted with tightly spaced vines, and yields are kept to some of the lowest in our industry."

"The Beaux Frères Vineyard is located on an 88-acre farm atop Ribbon Ridge in the Chehalem Valley near Newberg (Yamhill County, Willamette Valley, Oregon, USA). Currently the vines range in age from 16 to 29 years and are predominately a mixture of own-rooted Pommard and Wädenswil clones inter-planted with several Dijon clones on phylloxera-resistant rootstocks."

Antica Terra is an 11-acre vineyard located on a rocky hillside in the Eola-Amity Hills of Oregon's Willamette Valley. Winemaker Maggie Harrison uses this land, covered in the remains of a pre-historic seabed (a fractured mixture of sandstone sown with fossilized oyster shells) to make some of the world's finest Pinot Noir.

## Botanica

Botanica is always sappy and sanguine with a taste of wild rose, sour cherries, and blood orange. It has a compelling texture, lush personality, and extraordinarily concentrated fruit.

## Ceras

Ceras is Botanica's counterpoint. It's more about minerals and herbs than fruit and flowers. It's a focused and elegant distillation of rock rather than an opulent cascade of fruit.

Ben Smith and Gaye McNutt own the small in size but massive in quality Cadence winery. Today, they're producing arguably the best and most consistent Bordeaux style reds in Washington. **Camerata** (a small group of musicians or singers who perform together) is a blend dominated by Cabernet Sauvignon. Enjoy!

"Quilceda Creek has, from the beginning in 1979, focused on a single wine: Cabernet Sauvignon. It's like a Bordeaux château in that regard, concentrating its 142 acres of estate vineyard resources into a flagship wine. Since its first vintage...Quilceda Creek Cabernet has shown intensity of flavor within a towering structure.

"In the early days a wine drinker had to tolerate swarms of gritty tannins to get to those complex flavors. The tannins are much less aggressive these days. Where early vintages needed two decades to reach an elegant texture, the purity and power of the fruit and savory flavors of the wines...make a bigger impression than the frame of structure around it." - Harvey Steiman, Wine Spectator

2019 Four Flags is loaded with its hallmark red and dark fruit aromas. Along with vibrant fruit, this vintage offers a uniquely savory quality. Olive tapenade, star anise, and juniper play with aromas of wild huckleberry, red licorice, and Bing cherry. Delicately textured, with fine, dusty Red Mountain tannins. 80% new French oak gently supports the complex matrix of fruit, spice, herbs, and umami flavors.

Little about López de Heredia has changed in the more than 130 years since its founding in Rioja. Vineyard care, a scrupulous selection of grapes, ageing in oak barrels in the heart of deep underground galleries, and the later ageing in bottles, all contribute to making these illustrious wines with their exceptional bouquet. Greatest winery in the world?
